Joel Bahl, President, called the meeting to order at 1:00 PM.

The club paperwork including officer signatures was returned to the CA.

Joel stated that Funfest went very well. The club table was well manned, questions about the club were answered. Our club helped the CERT team with communications and enjoyed some good snacks.

Treasurer Report: Leonard reported the Treasury Balance is \$3,644.51.

New Business: Big THANKS to Richard Wizalkowski KD4WMMR for the donation of 3 laptops to the club. These will be used to replace the older laptops we use for presentations in the shack and in the Florida room.

Waiting for delivery of the new beam in a few more weeks. Concern is that volunteers/experienced help may all be back up north by then.

We will also replace the repeater antenna with a new one that we already own. It has been checked out. We also purchased new lower loss coax cable for the repeater antenna.

Need to take down and examine the vertical antenna. Attempt repair or scrap it. Will schedule. No new donations or sale items.

Meeting closed at 1:405 PM
