Joel Bahl, President, called the meeting to order at 1:15 PM.

Joel has been sending weekly reminders trying to get Net participation up which seems to have helped checkin numbers.

A regular Friday shack Monitor as well as a backup Monitor is still needed.

Joel has assembled handouts and supplies for Hi Neighbor. Mr. Leonard Boyer KQ4LJG, Mr. Paul Novotny N2XKA and Judy Wozniak K4WOZ have volunteered for Hi Neighbor. We will meet at the shack at 5:00 PM, pick up the materials and head to the South Community center for setup. Park in the far lot over by the horseshoe pits. Event runs from 6:30 – 8:30 PM. The Board approved giving \$100.00 to the Holiday Gift fund.

Treasurer Report: Leonard reported the Treasury Balance is \$4,499.31.

New Business: A CA representative will speak about the next phase of construction and financing plans.

Mr. Rich Place WB2JLR will give a presentation on his time at the Shortwave radio station HCJB in Ecuador.

Plant City Hamfest is coming up. The Board voted to pre-purchase 10 tickets again to get discount - \$9 each instead of \$13 at the gate. The club will get a tailgating spot and have a table for our members to sell any equipment that they wish to sell same as the last few years.

The R6000 vertical repaired – working well.

End fed wire antenna will be coming down shortly due to construction changes. We need to explore any good options to reinstall it.

Need to schedule beam project and make a plan for that, validate all parts and equipment needed are on hand.

Meeting closed at 1:42 PM
