Joel Bahl, President, called the meeting to order at 2:03 PM.

**Treasurer Report:** Rick reported the Treasury Balance is \$4,677.49 and there are 59 paid members.

**New Business:** The club will have an ARRL membership drive at the General meeting October 6, 2021. The club receives \$15.00 for each new ARRL membership and \$2.00 for each renewal. Joel stated that the club needs to maintain a minimum of 50% of the membership as ARRL members or we will revert back to a CA club. If that happens all members that do not live in Sun City Center will no longer be able to access the club. It was suggested that a door prize drawing be held at meetings or a few meetings to get members back into coming to meetings. One such door prize drawing could be held in conjunction with the ARRL membership drive. The door prizes would be ham radio related.

The picnic is still on schedule pending a COVID outbreak. It was suggested that tickets for door prizes be given out to each attendee from SCCARC or KPARC (an ARRL affiliated club also). Joel reported that all equipment is in good order and operational.

**Program:** Mr. Joel Bahl KQ0J gave a presentation on the various Ham Radio Logging programs that are available.

Thank you to the 19 members and guest Mr. Ron St. Jean NZ6O for attending this month's meeting.

Meeting closed at 3:00 PM
