

Sun City Center Amateur Radio Club General Membership Meeting September 3, 2025

Board of Directors

President, Joel Bahl KQOJ
Vice President, Rick Sochon N1OV
Treasurer, Leonard Boyer KQ4LJG
Secretary, Judy Wozniak K4WOZ

Emergency Coordinator, Rick Sochon N1OV
Station Trustee, George Ross KW4L

President, Joel Bahl called the meeting to order at 2:00 PM.

Joel welcomed back Diane Adams KN4LBF.

Joel has been sending weekly reminders out, trying to get Net participation up. After the Tuesday night net members have been meeting on 6 M SSB and 10 M SSB after the Wednesday net. Other suggestions are welcomed.

Joel mentioned the SCC Hi Neighbor event will take place on Thursday November 6. This is an opportunity to interest potential members to join. Volunteers are needed to man the table and provide information to interested parties.

A regular Friday shack Monitor as well as a Monitor backup for when a monitor cannot make it is still needed.

Treasurer Report: Leonard reported the Treasury Balance is \$4,585.66

New Business: Emergency Coordinator, Rick Sochon N1OV reminded everyone that we are at the peak of hurricane season. If a storm is heading our way make sure your radio is charged and on the hour check in will begin. This hourly check in will conserve battery power.

All equipment is in good working order. If you are looking for education on the radio room equipment please see Joel KQOJ. You must be checked out on the HF equipment to use it for transmitting as well as know how to log your contacts on the computer log. If you wish some training on Digital modes or Ham Radio Deluxe, FT8, VARAC or PSK please let Joel know.

Two old transceivers and an ancient HT were donated. A Yaesu Rotator control is available.

Kim Goins KQ4FFX is keeping all PC's up to date and in working order.

Waiting for winter to install new beam.

Program: Mr. Bill Barron W1WAB gave an interesting power point presentation on Netlogger.

Thank you to the SCCARC for the refreshments.

Thank you to the 12 members for attending this month's meeting.

Meeting closed at 3:00 PM
