Greetings SMARC and friends.

As you can see, it is time for election of officers. Below is the official ballot of officers. No voter registration necessary, so be sure to vote early and often.

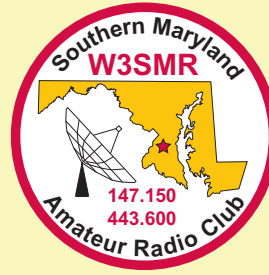

This months meeting/ Mastter Class has a change of venue. Vic is still recovering from knee surgery and isn't comfortable standing on

it for extended lenglths of time. As you can see by the above meeting announcement, we will be meeting at my QTH. We don't have a specific meeting topic, but I'm sure we can come up with something to talk about.

December is the SMARC Christmas party. Spread the word and let's have a great time.
