Mile 2: Paul, K4PDF, and Chris (park in lot by Harvest Bread or on the street) Use an a Pole-mounted antenna attached to a street sign.

Mile 3: Not needed(@ Finish Line)

## **Duties**

### **Starter**

- a. Be with The Official Race Starter at the beginning on the 10 and 5 K Races.
- b. At the start of each race relay the start signal to the Control Operator who will relay it to each Check Point.

### **Mile Post Check Points**

1. Arrive at Starting Line between 6:30 and 6:40 AM in time to say I am here and pick up your Recreation Center Volunteer and be ready to head to your Mile Post at 6:45 AM.
2. Remember you need to transport the Recreation Center Volunteer to the Mile Post with you.
3. Receive Time Signal at the beginning of the race and set the stop watch (provided by race officials) running for your assistant.
4. As the Runners approach contact Control and relay the Runner Numbers in the order they pass your checkpoint. The first 5 are sufficient.
5. Again when the last runner passes your checkpoint inform Control.
6. Watch for any problems with runners and notify Control.
7. When the last runner passes and you have checked in, you are finished. Pack up.

### **Control**

1. Relay Start Signal for race timing to check points at the beginning of both races.
2. Collect position information from the Check Point Spotters.
3. If a PA System shows up announce the race results (real easy)
4. Driver will help to transport the Mile Check Point people to their positions. There are a couple of locations where you cannot park a car.

### **Some info:**

1. Medical Herndon EMT's will be available at the Finish Line. They can be dispatched via our communications if necessary to any race location. Please watch carefully for nay runner

or spectator that may need medical assistance during the event.

2. Food and beverages will be served in the Recreation Center starting at 7:30 AM and through the post race events, it is free.

3. Rest Rooms in the Recreation Center.

4. Water Stops, the race organizers plan 4 Water Stops at;

1. Library on Center St.
2. Florida & Alabama Streets
3. Herndon Parkway near Cutter Mill Park
4. Finish Line

5. Parking at the Recreation Center will be very limited the later it gets. The police will close the lot when it fills. There will be limited street parking. There may be some space on Jorss Place and then walk on the W&OD trail over to the Recreation Center.

## **Tactical Callsigns**

After net established, use tactical callsigns. These are:

Control

Starter

Race Boss (i.e. Leslie Green)
