

Sterling Park Amateur Radio Club SterlingFest (9 October 2021) Plan

Draft 9 October 2021

Overview:

The Sterling Foundation, a non-profit organization dedicated to improving the quality of life in Sterling Park, will be hosting its annual “SterlingFest” on Saturday, 9 October 2021.

SPARC will host an information booth, providing education and demonstrations of amateur radio technologies to the general public. SPARC members will talk to individuals with an interest in amateur radio, man the SPARC information booth, and operate amateur radio equipment.

Schedule: 9 October 2021

0900 – 1100 Setup at booth space C8. (North side of Commerce Street, about 60 ft from Big Lots/Family Dollar)
 1000 Cars removed from area
 1100 – 1700 Booth operation
 1700 Break down
