

N4JRI / Mobile

Hi Everybody,

This will be my fourth year mobile with QSO party.

Saturday plans for now include HCO, HAN, GOO, POW, CHE, COX, PBX, DIN, PRG, HOX, CCY, NEW & RIX I'll probably have to go off the air for work around 1900-1930 local

Sunday plans include HCO, GOO, FLU, CUM, ALB, BHM, NEL, APP & possibly PRE, NOT, CHA & AME On Sunday, I plan to run from noon to the end of the event.

Primary HF bands will be 40 & 80, but I may try others as needed.

Will also be calling out on 2m & monitoring normal simplex freqs.

Can band hop with other mobiles on 2m, 1.25m & 70cm, as well as HF bands

Looking forward to seeing you all out there.

73/Allen (N4JRI)
