

RUSSIAN SECTION OF THE EUROPEAN PSK CLUB

EPCRU

The holder of this certificate has earned 300 points for two-way PSK contacts with different EPC members from Russia

Issue Date
7th February 2015

EPC Official Award Manager
Heinz Urban, DK5UR

In 1894 he built his first radio receiver, a version of the coherer. Further refined as a lightning detector, it was presented to the Russian Physical and Chemical Society on May 7, 1895 – the day has been celebrated in the Russian Federation as "Radio Day".
