

The 13 codes

- 13 - 1 All units copy you and think you're a cretin.
13 - 2 I copy you but I'm not answering you.
13 - 3 You're really spunky when you're angry.
13 - 4 I'm really sorry about that mate, it really cuts me up.
13 - 5 Same to you but with knobs on it.
13 - 6 So I made a mistake, none of us is perfect.
13 - 7 If you don't copy me it's your lousy equipment because I'm running 3,000 watts.
13 - 8 You sound so illiterate your parents never saw the minister.
13 - 9 Are you running a piece of obsolete equipment ?
13 - 10 I'd gladly help you but your problem leaves me puzzled.
13 - 11 Have you tried blowing your nose ? It might clear your head.
13 - 12 It still sounds like you have foot and mouth disease.
13 - 13 Yours friends must have put pins in your co-ax again.
13 - 14 So now I know what a lousy antenna sounds like.
13 - 15 Why did you get a licence if you're only running 100 milliwatts ?
(You're a Mud Duck)
13 - 16 The white mouse running your generator must be tired.
13 - 17 You're only able to go horizontal because your antenna fell down.
13 - 18 If I could understand you I would be tempted to answer you.
13 - 19 Are you talking into the back of the microphone ?
13 - 20 Are you choking on your mike or are your dentures loose again. ?
13 - 21 Far out ! Are you being paid by the word.
13 - 22 Lady, is that your voice or are you pulling the cocky's tail ?
13 - 23 If you had spoken for another 30 seconds you would have put John Laws out of business.
13 - 24 Y'know, you made more sense the last time you were smashed.
13 - 25 Some sensible stations and myself have hit the kitty in order to buy your rig.
See you when we get there.
13 - 26 Next time you eat garlic, would you stop breathing into the microphone.
13 - 27 Heard you were limp wristed but I thought you could key the mike.
13 - 28 A band-aid would make a better patch cord than that thing.
13 - 37 It sounds like somebody must have kicked your head in.
13 - 38 You sound like you're talking with your head in a bucket of water.
13 - 40 Your signal is terrific but give me a land line so I can find out what you want.
13 - 41 Either my receiver is out or you're on channel 28.
13 - 42 Either my speaker cone is ripped or you'd better try it again when you're sober.
13 - 43 That was a beautiful transmission, now try it with your mike connected.
13 - 44 I love the way your new rig sounds, now I know why they aren't made any more.
13 - 45 Your transmitter must have a short circuit because there is heaps of smoke coming from my rig
13 - 46 That's a new antenna ? I could get a better signal out of a dingo's tail.
13 - 47 What a fantastic signal, give me a few minutes so I can drive the mobile up your driveway and copy your message.
