

April News Sheet

Reported 1 April 2010 by Les Parker VK4SO

Welcome to the monthly news sheet for April 2010. Easter is almost upon us and I trust it will be an enjoyable time for you and your families

Club events this month

The social meeting this month will take the form of a barbeque at the club venue. So don't forget to bring your appetite with you. Everything will be provided.

The business meeting will be on 23rd April at 7.30pm

Contests

- 11th April HF international vintage CW/SSB
- 24th April Harry Angel sprint CW/SSB

Club HF Net

On Monday night last 29th a test was conducted by Bill VK4TWS on various bands but was not successful this stage the Monday night nets will be on 28.450MHz as usual. We are looking at constructing a squid pole antenna for 10mtrs so that all will be on the same polarity for the net.

BARCFest

BARCFest is not far away now so please attend to help out on the day 8th MAY!!

Club Repeater

The club repeater is still at my QTH for the present. The repeater is no longer on test as the frequency change has been approved by ACMA and is on at all times.

Field day venues

Ron VK4EV is still open to suggestions for a venue for a field day where vehicles can be parked off bitumen or concrete. If you know of one let him know.

That is all for this month
