

BARC Breakup for 2009

Reported 4 December 2009 by Les Parker VK4SO

Hello all

In order to prevent any hiccups with our breakup the BARC breakup will now be at Sizzlers, Annerley 12 noon Saturday 12th December 2009. Under the circumstances I think that this is the better option.

Please note that another 10 squid poles arrived today, Friday and we now have 12 in stock. No call books have arrived yet.
