> W5AW D-Star Registration Instructions <

To register your call-sign with the D-Star network, please read the following tutorial. If you have any issues or questions, please email the W5AW D-Star Administrator at: w5aw@qsl.net ~ be sure to include your name, call-sign, and a description of your predicament.....

Begin by going to the W5AW website [http://www.qsl.net/w5aw/] - Click on **D-Star Repeater News** on the left. The page will then show new options. Links will be listed. Click on the **D-Star Registration** link; you will see the following page... Note that some browsers will complain about an unrecognized certificate (the red https slash you see below) - Agree to proceed regardless the warning...

You are a new user - click **REGISTER** to being the process... You will see the next page as follows - fill out the form below. Use UPPER CASE for your call-sign.
