To: Participants in the 2015 B.A.C. Contest  
RE: Multi-Operator rules

The 2015 rules as published do not address the multi-operator class in depth. However, for the sake of this year's event, we will score multi-operator entrants based on the following guidelines (in addition to the published "Multi-Operator Rule") and will incorporate them into the rules for next year's event:

- \* Do whatever you want.
- \* Don't break any laws

73 es GL,

M. F. DeGardis, Jr., N1
