<p>and in stations, we will ensure riders have every opportunity to know about our efforts to provide safe and reliable commuter rail</p>	<p>for all commuter rail trains operated by MBCR on behalf of the Massachusetts Bay Transportation Authority.</p>	<p>Andover's Plant and Facilities Department has received a number of recognition awards including the first ever Commonwealth of Massachusetts "Leading by Example Award" for its energy conservation and recycling program initiatives.</p>	<p>Andover and National Grid for their commitments to energy efficiency," said Sue Coakley, executive director of NEEP. "Andover is a noteworthy example of the best practices in energy efficiency that can help municipalities improve the bottom line, contribute to economic growth and reduce environmental impact."</p>	<p>adm ebra east The Fo the org/ No Part prof 1996 mote effic and</p>	
<h3>Philips Amateur Radio Club hams practice emergency communications</h3>		<p>As a result of these improvements, the Town of Andover has achieved annual cost savings of \$500,000.</p>	<p>All honorees were nominated by their utility company or energy efficiency program</p>		
<p>The Philips Amateur Radio Club will work Saturday, June 27, and Sunday, June 28, to set up an emergency radio communication station, and practice the communications skills which they would provide to the community in the event of an emergency or disaster. They will be participating in the American Radio Relay League's Field Day.</p>		<p>operating event each year. During the weekend, radio operators try to contact as many other Field Day stations as possible.</p>			
<p>During Field Day, operators set up in local parks, at shopping malls, or even in their own backyards, and get on the air using generators or battery power. Field Day was designed to test operators' abilities to set up and operate portable stations under emergency conditions such as the loss of electricity. "We want the community to know that in the event of an emergency, we will be ready to assist in any way we can, says club president Allan Muise. "While people often think that cell phones or other communications technologies have replaced ham radio, we can still provide an important communications service that others can't."</p>					
<p>Field Day is a serious test of skill, but it is also a contest for fun and the largest "on-air"</p>

TO ALL RADIO AMATEURS

SB SPCL ARL ARLX009

ARLX009 2009 W1AW FIELD DAY BULLETIN

AMATEUR RADIO IS A GREAT HANDS ON ACTIVITY AND ARRL FIELD DAY 2009 IS A PERFECT OPPORTUNITY TO HAVE SOME HANDS ON FUN. WHETHER YOU ARE PARTICIPATING FROM OVER 1400 CLUBS AND GROUPS THAT HAVE LISTED THEIR OPERATION ON THE ONLINE FIELD DAY SITE LOCATOR OR MAKING CONTACTS FROM THE COMFORT OF YOUR SHACK AT HOME, FIELD DAY IS AN EXTRAORDINARY OPPORTUNITY TO IMPROVE YOUR PERSONAL SKILLS WHILE SHARING YOUR ZEST FOR RADIO NOT ONLY ACROSS THE BANDS BUT TO YOUR NEIGHBORS, FRIENDS AND COMMUNITY.

WHETHER PURSUING A QUEST TO WORK ALL STATES OR JUST TRYING TO HELP A NEW GENERATION LEARN ABOUT OUR HOBBY, FIELD DAY OFFERS THE CHANCE TO COMBINE A PERSONAL PASSION WITH HANDS ON ACTIVITY. PERHAPS YOUR CLUB SPONSORED AN EDUCATIONAL ACTIVITY? BUILT AN ANTENNA? WORKED PSK31 FOR THE FIRST TIME? WHETHER RUNNING STATIONS ON 40 CW, SEARCHING FOR NEW CONTACTS ON 75 METER PHONE, OR TRYING RTTY ON 15, PART OF THE FIELD DAY FUN COMES FROM BEING AN ACTIVE PARTICIPANT IN THE ACTION.

WHETHER YOU ARE AGE 6 OR AGE 86 - TAKE A HANDS ON APPROACH TO THE FUN OF FIELD DAY. YOU WILL NOT REGRET IT. GOOD LUCK AND 73.
