From ARRL Headquarters

To all radio amateurs

SB SPCL ARL ARLXØ1Ø
ARLXØ1Ø 2Ø15 W1AW Field Day Bulletin

FD2Ø15 fun starts at 18ØØ UTC Saturday for you and your club. Swap skills, thoughts or a story about FDs past. K6KPH will transmit W1AWs thoughts from California with CW and Digital transmissions on Saturday at 143Ø UTC and Sunday at ØØ3Ø, Ø13Ø, 143Ø and 163Ø UTC.

Try an original brainstorm as you find your limit or surpass what you think you can accomplish. CW, SSB, and Digital modulations will allow you to show your skills and train for any upcoming call to arms. Day or night, hams supply important skills to our community, country and organizations.

Submit your FD forms by July 28 including photographic highlights of your groups planning and fun. A GOTA and a VHF station will allow your organization to instruct and acquaint visitors with your clubs story and our hobby.

Ham Radio is fun and FD2Ø15 is an important part of our hobby. Proudly show off your radio activity.
