Ham Radio News:

This goes back to 2018 & I have not heard any recent updates. The FCC has inquired to expand HF privileges for Technician licensees to include limited phone privileges on 75, 40, and 15 meters, plus RTTY and digital mode privileges on 80, 40, and 15 meters. I'm not sure what action if any the FCC has decided to take at this point. <http://www.arrl.org/news/fcc-invites-comments-on-arrrl-technician-enhancement-proposal>
