Questions? Email to w5vv@arrl.net

The AARA can handle your subscription (FREE) to the following email reflectors (please place a checkmark by the email reflectors you'd like to subscribe to):

____ AARAINFO - Information of an interest to members, prospective members and other interested parties about AARA activities or amateur radio news that is not specific to AARA members

____ TCINFO - The Telecom Corridor Council of Clubs email reflector; includes news of interest to any amateur radio operator living or working in the Telecom Corridor and to members of clubs in the Telecom Corridor

Please keep in mind that you may receive multiple emails for announcements sent to both the AARA and Telecom Corridor; however, these email reflectors are a great way to keep abreast of amateur radio activities in our area. Traffic is minimal.
