Feb 2009

Pacific County Emergency Services Net Preamble

QST-QST-QST this is _____ activating the Pacific County Emergency Services Net. This net meets every Thursday at 1930 hours local time on the **BeachNet** and Clatsop County linked repeater systems for the purpose of training amateur radio operators in emergency communications.

(Pause)

This is a directed net and we encourage all amateurs listening, including visitors, to check-in. When checking in please indicate if you have any announcements or traffic for the net. This net will yield the frequency to emergency or priority traffic at any time. Is there any station on frequency holding EMERGENCY TRAFFIC at this time?

(Pause)

There are at least 15 repeaters linked for this net. Please be sure to key your mike for 2 seconds before speaking to let them all come on line, and *use Internationally recognized phonetics* when spelling callsigns.

We will begin this evening with a roll call of previously participating stations.

(Pause)

>>(refer to list of stations from previous week)

(Pause)

We will now continue with additional check-ins by geographical location.
1 Tokeland, Grayland
2 Nahcotta, Oysterville, Surfside
3 Ocean Park
4 Klipsan Beach
5 Long Beach, Seaview
6 Ilwaco, Baker Bay, Chinook
7 Deep River, Naselle, Bay Center
8 South Bend, Raymond, Menlo Valley
9 Grays Harbor County
10 Wahkiakum or Lewis Counties
11 Clatsop County

We will now take ANNOUNCEMENTS for the net.

(Pause)

>>(call for and handle announcements previously listed)

(Pause)

Are there any further ANNOUNCEMENTS or QSTs for the Net?

(Pause)

Are there any late or missed stations wishing to check in?

 (Pause)

 Are there any visitors who wish to check in to the net from anywhere? Please come now with your Call sign, Name and County

(Pause)

 Is there any final business for the net?

(Pause)

 I would like to thank the **BeachNet** and Clatsop County groups for the use of their repeaters. This is_____, net control, now closing the Pacific County Emergency Services net for Thursday, _____(date) at _____hours.

This is _____and the frequencies are now clear.
