June 2021

SERVING CENTRAL ILLINOIS AMATEUR RADIO SINCE 1921

IN THIS ISSUE

From The President

by Rick Suhadolc NgCKL

Congratulations to Jim Baker WB9EDL and Tom Planer KJ9P for organizing the amateur radio training at the Wheelers bike ride Saturday June 12th. This was the first CIRC in-person event since March 2020. Thank You to all the CIRC members that contributed to make this event a success.

Our next event is Field Day June 19-20, one of the most fun club events of the year! We will be discussing the plans for Field Day at the CIRC Wednesday June 16th meeting. Keith AC9S has reserved our Field Day location, and I have appointed Keith Hanson AC9S as our Field Day Chairman. The air-conditioned building has been our site for a number of years, with ample yard for antennas, and a full kitchen it

is one of our favorite locations for Field Day. Please help support the club at this Year's Field Day event with your participation.

Many important club issues were discussed in the May meeting. With those issues now resolved, It's time to have FUN. I believe Jim Baker WB9EDL our Social Chairman has planned some upcoming social events in July.

Thank You again for all of your club participation.
