here is how my rig is connected through the acc ports on the back of the rig.

I think they are all here but if not let me now and I will do another search through my connection files.

Audio connections for soundcard to IC746
Use miniature screened mic cable with mono
3.5mm mono jack plugs on soundcard ends.

These are vero strips   Vero Layout

Data Line	9 Pin "D"	25 Pin "D"
DTR	Pin 4	Pin 20
RTS	Pin 7	Pin 4
GND	Pin 5	Pin 7
