October Meeting

There will be no club meeting for October other than the Used Equipment Sale on the 13 October 2012.

September Meeting

The September meeting was planning for the Used Equipment Sale and a talk by Roy ZL1WI on a Marconi LCR Bridge that he had restored.

Used Equipment Sale

The next club function will be the Used Equipment Sale on Saturday 13th October. Full details on the next page and also on the web <http://www.qsl.net/zl1ac>. A good number of table spaces have been booked by vendors. There will be commercial vendors at the sale. Workload permitting, we will have a visit from the NZ Fire Service Command Unit. The truck will be open and people will be able to look inside. All in all this is shaping up to be a very good sale. Do come along, enjoy the fun and take home some treasures.

November Meeting

This will be a show and tell, but with a difference. It will be show and tell on one of your other hobbies. Start thinking about what you could give a few minutes talk on.
