Thanks to all who participated in this, our first Summer Sprint series.

This was a close fought contest looking at the results.

I'm sure that those contesting would like to thank the many who came on air and gave out numbers.

There were some, as shown in these results who were only able to spend a short time giving numbers.

Thank you all.

Certificated will be posted to the first 3 entries in each section.

There will also be a participants certificate published here that others may like to download.
